REPORT ON RED CROSS SEAL SALE

MARYVILLE SCHOOL CHILDREN AND TEACHERS SELL $279.75.

3RD GRADE ROOM LEADS

Pupils of Miss Eula Strader sell Greatest Amount of Any One Room.

A complete total of the Red Cross Christmas seal sale for the benefit of the National Tuberculosis association which was directed by the teachers of Nodaway county, is not available, for the reason that many of the teachers sent the funds and reports directly in to the St. Louis office. Others reported the number sold to County Superintendent Bert Cooper but had sent the money in to the St. Louis office.

The total sent in from Maryville alone was $279.75. The pupils of Miss Eula Strader's room sold a greater amount than any other room in the city schools, selling $20.50 worth. These pupils are third grade children and the result shows an extraordinary effort on the part of pupils and teacher.

The reports from the teachers sent to the county superintendent's office areas follows:

GUILFORD 'BOMB' CASE OPENS TODAY

BETWEEN FORTY AND FIFTY WITNESSES CALLED.

CRIMINAL DOCKET BEGUN

Case on Trial Today one of the Most Important.—Alleged Offense Took Place Dec. 16, 1918.

One of the important cases on the criminal docket at this term of circuit court, that of the State against D. A. Bledsoe was on trial today and will probably take two or three days. Bledsoe is charged with felonious wounding his brother-in-law, Grant Richards by having placed a bomb in a shock of fodder on Richards' farm. The alleged offense took place on December 16, 1918. Richards was hauling fodder that day and in picking one up the bomb exploded, and Richards sustained several injuries about the hands arms and face. The explosion was heard by people many miles away.

The bomb or high explosives were contained in a box. A copy of the Daily Democrat-Forum of the issue of November 20, 1918, was either in the high explosives or in the box. The paper was blown into very small pieces as well as the box it was in. Scraps of the paper have been saved and will be introduced in evidence.

A string had been placed in the fodder, one end to a corn stubble and other end to a stalk of corn. In lifting the shock of fodder, the string pulled the trigger to the bomb or explosive.

Richards lives five miles southeast of Guilford. He is a bachelor and is said to be well off financially. Bledsoe lives east of Guilford.

There are forty or fifty witnesses in the case from Guilford. Prosecuting Attorney McCaffrey is being assisted in the prosecution of the case by Shinabargar, Blagg & Ellison, while Bledsoe is represented by Cook & Cummins.

The jury hearing the case is composed of S. B. Craven, Sherman Helfin, T. R. Livengood, H. H. Conrad, C. H. Beverlin, Mike Sturm, Frank Shamberger, E. C. Thull, Will Dempsey, William Barry, H. C. Martin and James Tobin.

In the perfect title case of Elizabeth Moler, et al, vs Henry A. Kenyon, et al, the court awarded a decree for the plaintiffs as per form filed.

BRAIN CROP EXCELLENT. H. S. TOTAL GRADUATES, 769

175 Now Live in Maryville.—Everyone Expected at Initial Gathering for Alumni Association.

One hundred and seventy five graduates of the Maryville high school are now residents of the city and the committee promoting the organization of a high school alumni association expect to see that number at the school auditorium Thursday night, when the first meeting is called.

Since the first class was graduated from the high school in 1887, there have been 769 graduates sent from the school. This is an average of 24 graduates per year.

At the meeting Thursday night there will be a number of former graduates to make talks and the high school band will furnish music for the evening.

Among the speakers will be Prof. J. M. McDonald, E. E. Williams, of the school board, Fred Wolfers, Prof. L. E. Zeigler and Dr. Karl Malotte. Everyone interested in the school is anxious to see good live alumni association formed and every graduate if he or she cares for the welfare of the public school is asked to come to the meeting at 7 o'clock Thursday night in the high school auditorium.

Young of Quitman; Mrs. Van W. Roberts of Washington, D. C. Mrs. W. E. Lynn of St. Joseph, Mrs. O. W. Elarton of Salidia, Colo.

Mr. Johnston was born in Quitman July 28, 1892.

HOOVER OFF THE FENCE BEFORE PARTIES CONSIDER

Will Not Be Nominated by Either Party Unless He Allies Squarely With One or Other.

Washington, Jan. 26.—Herbert Hoover will not be nominated for the presidency either on the Republican or Democratic ticket unless——. This is the law laid down by the party leaders as they cast their practiced eyes over the reports coming in from seaboard to seaboard telling of the progress of the Hoover boom. The fur is expected to fly at San Francisco and Chicago if an attempt is made to put the former food administrator over without his coming out fairly and squarely for one or the other of the major parties.

R. L. McDOUGAL CALLED TO VISIT SICK BROTHER.

R. L. McDougal has been summoned to Howen Mills, Mo., by the serious illness of his brother, William Henry McDougal. Mr. McDougal left for Howen Mills last night. His brother suffered a stroke of paralysis several months ago and has not been well since then. His condition now is critical.

Mrs. R. M. Black left this morning for Red Oak, Ia., where she will spend a week visiting her brother and sister O. J. Gibson and Mrs. C. R. Logan.

'FLU' SPREADING, NO SERIOUS CASES

SEVERAL NEW CASES REPORTED TO CITY PHYSICIANS TODAY

BOARD OF HEALTH RULES

Spread of Disease is not Alarming.—Simple Rules Which Tend to Prevent Epidemic.

Influenza, has made its appearance in Maryville the last two or three days according to physicians here. There are several cases reported but none of them are regarded as serious. The Phares Lumber Company have four of their office force sick with the flu. The family of Mose Hahn is also sick with the flu. Several other cases have been reported today.

The epidemic has been spreading over the country the last week or so.

The Missouri state board of health has sent out the following statement:

This influenza epidemic isn't going to mean prolonged vacation from school is the advice of the Division of Child Hygiene of the Missouri State board of Health if followed. Instead ...ls are to be kept open, the children are going to be taught how to protect themselves from the disease and to help prevent its spread in the community.

Superintendents and teachers of schools are asked to conduct a morning inspection of all children and so exclude from schools any child who is suffering from sunning eyes, nose, temperature and other signs of impending diseases until his case can be passed upon by the family doctor. In this way any child who may be spreading influenza will be isolated. It is not necessary to impose a rigid quarantine on their families provided the person suffering from influenza is isolated, and proper precautions are taken to prevent the rest of the family from contracting or spreading the infection.

Knowing how these diseases are spread it is easy to avoid them by observing a few simple precautions. School teachers are requested to copy theserules on the school room blackboard and thoroughly instruct their charges in their meaning and application.

TO AVOID INFLUENZA

1. Stay away from the fellow who coughs, sneezes or spits promiscuously.
2. Don't kiss anybody in the mouth.
3. Don't put fingers i nyour mouth or anything else which is not clean.
4. Don't use public drinking cup.

DO

1. Wash your hands before eating, or before handling food which another person must eat.
2. Pour boiling water on all dishes or eating utensils.
3. Open the windows of the school room and the home, especially the sleeping room.
4. Keep the feet warm and dry, and avoid undue exposure to cold and fatigue.

Chicago, Jan. 26.—With more than ten thousand cases of flu reported last week and new cases developed at the rate of nearly two thousand per day, Chicago today sent appeals for trained nurses throughout the country and event to Canada.

U. S. ATTORNEY-GENERAL TO SPEAK AT PLATTSBURG

A. Mitchell Palmer will Address Democratic Gathering at Plattsburg and Excelsior Springs, Jan. 30-31

A. Mitchell Palmer, Attorney General of the United States, will speak at the court house, Plattsburg, Friday evening, January 30, and at Excelsior Springs, Saturday evening, January 31 At Excelsior Springs he will be the guest of honor at a dinner given by the Captain Milligan campaign committee to the editors of the Democratic and independent newspapers of the Third congressional district.

This campaign committee is made up of members of the Third congressional Democratic committee, the National Democratic committee, and the State Democratic committee, and is busily engaged in bringing about the election of Captain Milligan as a member of congress from the Third district. The special election will be held February 14. Captain Milligan was nominated by the Democrats of his district at a convention held at Cameron last week, at 6:40 o'clock in the morning after 302 ballots had been cast.

Robert Warwick at Empire Tonight.

After a period of active service on the staff of General Pershing, overseas, Major Robert Warwick, with the record of having been one of the first important screen stars to enter the service, has returned to civil life and entered into contract with Jesse L. Lasky to appear in the leading role of "Secret Service," a Paramount-Artcraft special.

Major Warwick was given an ovation on his return to New York from France and he is today the most interesting figure in American theatricals and motion pictures.

"Secret Service," directed by Hugh Ford and with a remarkably strong supporting cast, will be seen at the Empire theatre tonight. It is a play dealing with the efforts of a secret service agent of the union to bring about the capture of Richmond at the time when the city was beleagured by the Federal forces. Undoubtedly it is one of the most tensely interesting dramas that has ever been written or produced

YOU NEED NOT SUFFER FROM CATARRH

But You Must Drive It Out of Your Blood.

Catarrh is annoying enough when it chokes up your nostrils and air passages, causing difficult breathing and other discomforts. Real danger comes when it reaches down into your lungs.

This is why you should at once realize the importance of the proper treatment, and lose no time experimenting with worthless remedies which touch only the surface. To be rid of Catarrh, you must drive the disease germs out of your blood.

Splendid results have been reported from the use of S. S. S., which acts on the catarrh germs in the blood.

If you wish medical advice as to the treatment of your own individual case, write to Chief Medical Adviser, 42 Swift Specific Co., Atlanta, Ga.

A Missouri Woman Could Not Sleep

Trenton, Mo.—"For many years Dr. Pierce's Favorite Prescription has been my only medicine. For a long time I doctored for woman's weakness but instead of getting better I became worse. It seemed to affect my back; it would pain me so I could not sleep at night. I got very weak and nervous, could not do anything. My husband bought me a bottle of Favorite Prescription and the one little did me so much good that I continued its use until I was well and hearty. Quite frequently now I take a bottle and it has kept me in good health all the time."—MRS. CHAS. KENNEDY, 1559 Cedar St.

For Those Entering Womanhood

Carthage, Mo.—"My mother used Dr. Pierce's Favorite Prescription and was so well pleased with it that she gave it to me when I was entering womanhood, and I have used it off and on all my life for ailments for which it is intended to be helpful I have given it to my daughter for the same ailments. It has always helped us promptly and satisfactorily.

"I have used Dr. Pierce's Golden Medical Discovery for a bad cough and slight asthma, and was pleased with the way it benefited me.

"I have used Dr. Pierce's Pleasant Pellets for constipation and biliousness all my life. I like them better than any other medicine of the kind because I can stop taking them any time without noticing any bad effects. There is no danger of getting a habit and being compelled to keep on taking them."—MRS. GEORGE F. BLUE, 711 East Second St.

Favorite Prescription is a medicine that's made especially to build up women's strength and to cure women's ailments—an invigorating, restorative tonic, soothing cordial and bracing nervine; purely vegetable, non-alcoholic, and perfectly harmless.

You can procure a trial pkg. of any of Dr. Pierce's family medicines by sending 10c. to Dr. Pierce, Buffalo, N. Y.

AFFIRMED DECISION OF THE LOWER COURT HERE

Kansas City Court of Appeals Sustained Verdict in the Tibbels Case Against Chicago Great Western.

Judge W. C. Ellison received word today that the Kansas City Court of Appeals had affirmed the decision of the circuit court here in the case of Mrs. Tibbels against the Chicago Great Western Railroad Company. The verdict of the court here was for Mrs. Tibbels for $8,000 damages as a result of her husband being killed in a railroad accident at Sheridan. The railroad took an appeal to the Kansas City Court of Appeals. Judge Ellison was one of the attorneys for Mrs. Tibbels in the case here.

F. M. TOWNSEND HORSE WINS PREMIUMS AT WESTERN SHOW

Nickle Plate Annexes Three First, Two Third and Two Fourth Ribbons at Denver Show.

Ferd Townsend returned at noon today from Denver, where he had been attending the National Western Horse Show.

Nickle Plate, Mr. Townsend's fine saddle horse, exhibited at the show, won three first premiums, two third premium ribbons and two fourth premiums. Nickle Plate has recently returned from a tour of the Eastern shows bringing back a string of prizes in many classes, winning at New York, Brockton, Mass., Galesburg, Ill., and Chicago. At Brockton Nickle Plate won second in a class of twenty international entries.

The Townsends are former residents of Denver, and their own popularity in the city coupled with the merit of Nickle Plate as a show horse, was a signal for the wildest applause when the horse appeared in the ring. The Denver papers of the week carry numerous pictures and comments of the show with Nickle Plate leading them all.

Mr. Townsend was accompanied by Mrs. Townsend and their young son, Bohm, and while there they were guests of Mrs. Townsend's parents, Mr. and Mrs. Henry Bohm.

WOMEN SUBJECT TO THE INCOME TAX

SCHOOL TEACHERS, CITY AND COUNTY EMPLOYES EXEMPT.

DEPENDENTS EXEMPTED

A Taxpayer Allowed a Credit of $200 for Each Person Whom he Supports.

In order to clear away misunderstandings as to what constitutes dependency, in connection with the additional exemption granted Income tax payers, collector of internal revenue Geo. F. Crutchley, today gave out the following statement:

"For 1919 a tax payer may be allowed a credit of $200 for each person for whom he is the chief support. But it must be remembered that he can claim this additional exemption only with respect to children seventeen years of age or younger and persons defective, cripples, and persons old enough to be without question physically incapacitated for self support.

If the tax payer contributes to the support of some relative or other person who is over seventeen years of age in fair health, and still active, he cannot be allowed the additional $200 even if he is furnishing the chief support.

The very different requirements of the two exemptions ("head of a family" additonal $1000; "dependent" additional $200) must not be confused. To be the "head of a family" the person whom he supports must be a close relative, must live with him, and he must be such relative's sole support. To be entitled to exemption for "dependent" the person whom he supports does not have to be a relative but can be any child or any cripple or defective; the child or incapacitated adult may live anywhere; and it is necessary that he furnish only more than half of the support.

The chief difference is that for "head of a family" the restriction is to close relatives, the evident object of which is to promote the home; for "dependent" the restriction is to children under eighteen years of age or persons mentally or physically defective, the object of which is to recognize material assistance given to those who can not help themselves.

A son, who has left home, but who still send to his mother more than half of her support with enough regularity that she may depend upon it, can be allowed the additional $200; provided however, that the mother has become sufficiently aged to be without doubt physically incapacitated for self support. Otherwise the amount contributed must be considered as a gift, not deductible as an expense and not entitling him to the additional exemption regardless of amount.

A father may claim the exemption for every child under eighteen years of age. But if one of his children receives, from some estate or otherwise sufficient distributed income to provide for the expense of his support in the station of life in which he is placed, the father cannot claim the exemption with respect to that child, for although the child is legally dependent upon him he is in fact financially independent."

Women who had incomes during 1919 are reminded by collector of internal revenue George F. Crutchley that they are subject to all of the provisions of the Federal Income tax. Many thousands of women file returns and pay taxes regularly, and there are new names added to this list each year. The high wages and salaries received by women last year will perhaps double the number of the fair sex who are required to file returns.

A public school teacher, or other city, town, county and state employee is not taxed on her salary or wages but must file a return if her taxable income from other sources was sufficient in amount to come within the law's definitions.

An unmarried women, a widow, or a married woman who is living apart from her husband, must file an income tax return if her net income for 1919 was $1000 or over.

She is entitled to an exemption on the first $100 of her income. If she is the head of a family, as defined in the income tax regulations, she may claim $1000 additional exemption. Also she may claim further exemption of $200 for each person for which she is the chief support, if the dependent is under 18 or is mentally or physically defective.

A married woman who has an income from a separate source that her husband is entitled to file a separate return with respect to that income. Ordinarily a husband and wife file on joint return, including the income of both. But if the husband does not include his wife's income, the wife is required to file her own return. Separate returns of husband and wife are required if either had a net income exceeding $5000.

A married woman who lives with her husband is not allowed a prescribed exemption. She and her husband have $2000 plus $200, addition for each dependent and this exemption may be taken by either or divided in any manner between them.

A woman who was widowed during 1919 may claim exemption for the full year on the basis of her status as of December 31.

A wife whose husband is in a sanitarium or temporarily working in another city, and is separated from him only through necessity, should not consider her status as "living apart" from her husband. But if there is voluntary continuous separation, whether or not granted by court decree, each must take the status of a single person with respect to income tax.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through taking them.

Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil. They act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood, and purifying the entire system. They do that which calomel does, without any of the bad after effects. Take one or two every night for a week and note the pleasing effect. 10c and 25c a box.
